

Darnley School of Dancing

Child protection policy

Darnley School of Dancing acknowledges the duty of care to safeguard and promote the welfare of children and is committed to ensuring safeguarding practice reflects statutory responsibilities, government guide lines and complies with best practice KCC requirements. The students have a positive and enjoyable experience of dance in a safe and controlled environment.

All teachers will have DBS and children will be chaperoned when performing. Teachers and chaperones will have a copy of the guide lines. The policy will be upgraded every three years, or if there are any significant changes.
